Today was my big golf day! Before I hit my first shot, I checked to make sure no one was in ____ (spot on the golf course) and that it was safe to swing. I took a deep breath and reminded myself to always play at a good ____ (noun) so everyone could enjoy their round. As I walked up to my ball, I remembered the most important rule—be ____ (adjective) and ____ (adjective). Just then, I hit a shot that went a little off course! I quickly yelled ____ (word) as loud as I could to warn everyone. Whew—safety first!

After my ball landed on the green, I repaired my ____ (thing) so the course stayed nice for the next golfer. I carefully walked around my friend's ____ (noun) so I wouldn't step on their putting line. When it was their turn, I stayed ____ (adjective) and ____ (adjective) so they could focus.

A few holes later, I ended up in a ____ (place). No problem! I grabbed a ____ (tool) to smooth out the sand after my shot. Before leaving, I even picked up a ____ (thing) someone else had left behind.

By the time I finished my round, I felt proud. Golf isn't just about hitting the ball—it's about showing ____ (trait) and ____ (%Number) every time you play. Today, I learned that the best golfers aren't just good players—they are good ____ (plural noun)! And remember, every time you show great etiquette, you're one step closer to shooting 36 and leveling up!
